## 5 PM-6 PM

Politics and power are much more explored in and through space than time. Is it a Foucauldian legacy? We want to explore here more temporal perspectives on politics and power for MOS.
Coordinator: Pr François-Xavier de Vaujany (Université Paris Dauphine-PSL)
With Pr Robin Holt (CBS), Dr Aurélie Leclercq-Vandelannoitte (CNRS, LEM) and Ian Munro (New Castle University)

**11.30-12 AM**

**STREAMING YOUTUBE: Panel 2 “Quantified Self, Ubiquitous Self: The Vertigo of Individual Temporality in a Digital World”**

Discussion about the self in a digital world that keeps stretching, omniplacing it. What can we be if were are and act anytime, anywhere in a transparent way? Is posthumanism an ocean of liquefied selves?
### June 18th 13.30 PM- 6.30 PM CET

**2 PM – 3 PM: AGORA 6,7,8,9**

Time during which questions can be asked independently to academic experts, in specific zoom session. These will be very conversational sessions (no presentations). Please send an email at the experts to be registered. Registration will be limited to 5 people per agora.
